"PARTNERS IN AGRICULTURAL PROGRESS"

The annual SIOUX EMPIRE FARM SHOW is but one of the many agricultural activities sponsored each year by the Sioux Falls Chamber of Commerce.

Realizing the importance of agriculture to the economy of our city, the Sioux Falls Chamber of Commerce has sponsored the National Plowing Contest, the National Cornpick-
ing Contest, Land Judging Schools and we give full cooperation to the Sioux Empire Fair, Soil Conservation Programs and many other activities related to the most important industry in our state—agriculture.

Our city is no better than the agricultural area surrounding it. Our constant purpose will be to always maintain a close working relationship with all interests to upgrade farming methods and income in our state, area and all America.
